BridgePay Settings

Username Password

Merchant Code Merchant Auth Code

Save

Instructions

- In the iOS Settings app, under Bluetooth, connect to the iCMP Device.

Square Settings

Disconnect Square Account: Alex Gile

Instructions

- Install the Square Register App from the iOS App Store.
- Login to the Square Register App with your Square account.
- Using the button above, connect TrueCommerce Engage to Square. Be sure to use the same Square account that is logged into the Square Register App.

4. Close the application completely.
5. Re-open the application and log back in.
6. Navigate to the Processing section as you did before.

7. Click Connect and follow the simple steps there to connect your Square account. Be sure you reconnect the same account you connected previously.
